FACT

3. I am the established acting agent for the property [38 County Road 1, Picton].
4. My hands are entirely clean in this matter.
5. A Contract [UNSAFE ORDER #2021-05] has been forced upon me and mine by Carol Ryan and/or Prince Edward County Municipal Services [Building Department] that prevents access to my family owned property.
6. I've emailed and subsequently sent, twice now, correspondence via Canada Post, albeit standard post [induced poverty/targeted individual] to Carol Ryan and/or Prince Edward County Municipal Services [Building Department].
7. I've not received confirmation of receipt for the correspondence sent to Carol Ryan and/or Prince Edward County Municipal Services [Building Department] much less a response to said correspondence.
8. The Contract [UNSAFE ORDER #2021-05] issued and the subsequent refusal to respond to requests for; i) general dialogue ii) an extension to apply for renovation, iii) retrieval of personal belongings, is affecting me adversely.
9. The arbitrary Contract [UNSAFE ORDER #2021-05], entered into by unlawful force, subsequently denies my ability to negotiate terms and conditions of said Contract [UNSAFE ORDER #2021-05].
10. I hereby assert my right to establish dignified, equitable, terms and conditions as part of the Contract [UNSAFE ORDER #2021-05 that has been forced upon me and mine.

ALLEGORY

11. Since March 25, 2021 I have not had full access to my own property rights. Prince Edward County is arbitrarily preventing this access. My security, liberty and my right to own and enjoy property is being denied.
12. I've been significantly harassed by Prince Edward County staff and the community. I am treated differentially because of family relations and for blowing the whistle on the Prince Edward County Foster Care Sexual Abuse Scandal [2011].
13. I insist that a criminal conspiracy is operating in Prince Edward County whereby members of my family, community and government collude against me, in secret.
14. I reported the corruption to the Picton O.P.P in 2017, to no avail. I made formal complaint to the Office of the Independent Police Review Director in 2018. The O.P.P were ordered to investigate my allegations. The investigation, to my knowledge, has never occurred.
15. I reported my allegations of criminal conspiracy and collusion to the former Mayor, Robert Quaiff in August, 2018. According to Karen Frigault, Mr. Quaiff's administrative assistant, he refused to deal with my very serious allegations and I was denied audience or further dialogue by Karen Frigault.
16. I then proceeded, in July 2019, with sending notice about the corruption in Prince Edward County to the Ontario Crown Attorney and Attorney General. I sent notice as well, to the OPP and the RCMP. Todd Smith, as an MPP and as the Minister for Children, Community and Social Services, was informed too. None of those parties responded or acknowledged receipt of my faxed correspondence.
17. Silent collusion among public servants acting contrary to civic duty constitutes a criminal conspiracy.
18. The Masonic network is, by its own admission, operating in Prince Edward County.
19. The Masonic network has infiltrated the Prince Edward County Police Services.
20. The Masonic network has infiltrated various churches in Prince Edward County. I am persecuted by St. Andrew's Presbyterian Church, its Minister, its various members and its various levels of internal government. The church has worked with local police to set me up for false criminal charges.
21. The Masonic network influences the Prince Edward County government and, by default, the social functions and operations of the whole of the Corporation of the County of Prince Edward.
22. The Masonic network has infiltrated the municipal, provincial/territorial and federal governments of the country known as Canada.
23. The country known as Canada belongs to the British Commonwealth.
24. The British Commonwealth is controlled by THE CROWN.
25. The Templar Order defends and protects THE CROWN.
26. **The British Monarch IS NOT THE CROWN.** The Queen of England merely represents THE CROWN.
27. Two significant degrees of Freemasonry are known as i) Templar ii) Malta
28. The Pope is the Grand Master of the Order of Malta
29. The Order of Malta defends and protects the Vatican. The Order of Malta is a permanent observer at the United Nations.
30. The Pope, through the U.N has declared February 4th as International Day of Human Fraternity.
31. The United Nations and the Holy See (Pope) have a very close relationship. The Pope, through his many deceiving titles controls all nations through the United Nations.

32. The Pope is a Jesuit.
33. **The Pope is subordinate to the Superior General of the Jesuit Order** [Society of Jesus]
34. The CROWN, within the Corporation of the Sovereign City of London is guarded and defended by the Order of Malta, the Templar Order, the Jesuit Order (among other secret allies) and the Vatican.
35. The Corporation of the City of London, the Vatican, the Jesuits, the Knights Templar and the Order of Malta are foreign, unlawful entities attempting to govern me [and every other free born person on the land known as Canada] by deception, coercion and force.
36. The Masonic network is facilitating high treason.
37. My local, provincial and federal governments are in collusion with THE CROWN, the Sovereign City of London and the Vatican. [also District of Columbia and Switzerland]
38. Freemasons are obligated to their fraternal order by oath. Public officials are obligated to the public that they serve by oath as well. Constituents have no assurance with respect to what oath takes precedence in the matter of government affairs. This generates an epic conflict of interest between the people and their government.
39. The [Canadian] Supreme Court has made it abundantly clear that good government, democracy and integrity are inextricably linked. The Court subsequently maintains that "integrity within government is a key component to democracy and that actual integrity is achieved when its employees remain free of any type of corruption". The Court recognizes that "protecting the integrity of government is crucial to the proper functioning of a democratic system".
40. The democratic process in the country known as Canada has been usurped by secret agents, fulfilling a secret agenda [globalism] for a secret shadow government [United Nations].
